Whenever I hear anything bad about Dad...

His latest crimes are possessing books of forbidden magic and stealing top secret information that's only available to high officials.

He does not hesitate to use any extreme measures to get what he wants, and he resorts to murder if necessary.

...or listen to other people's opinions of Dad...

He was probably researching magic that was banned a long time ago.

Searching all over the world,

...he acquired eight books from the Creator's library and 60 texts on forbidden magic.

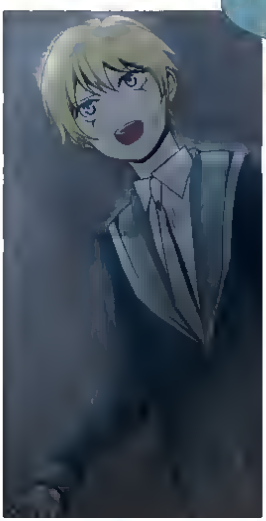
It seems that he committed all sorts of ruthless crimes. Crimes that ordinary people can't begin to imagine.

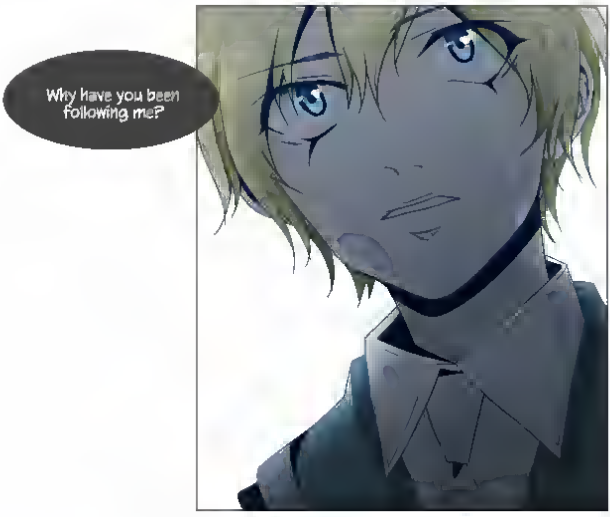
His wife went missing. There's a rumor that she was killed as a part of his research.

...I just can't be sure about Dad's innocence.

Just stop being so stubborn.

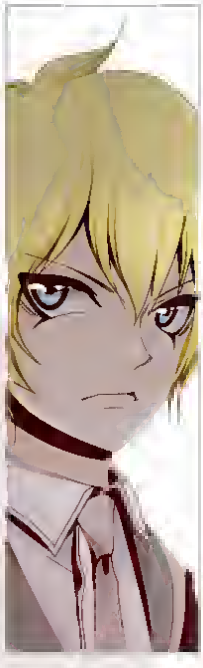
What would happen if we were discovered while following—



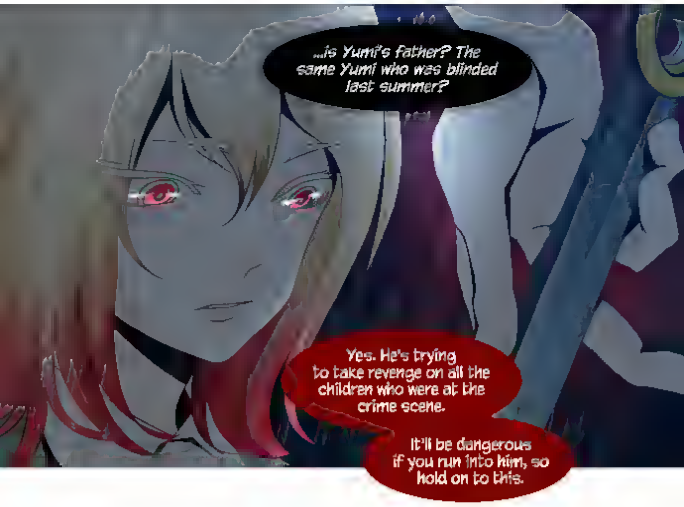


You reckless kids.

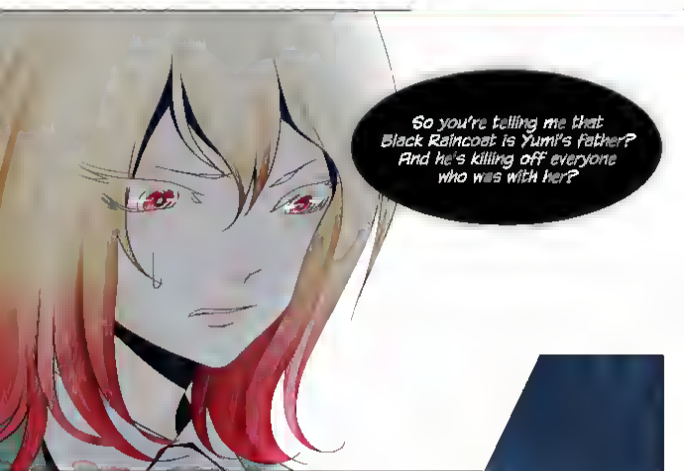
Trump



What?
What do you mean?
Black Raincoat...
Clang



...is Yumi's father? The same Yumi who was blinded last summer?
Yes. He's trying to take revenge on all the children who were at the crime scene.
It'll be dangerous if you run into him, so hold on to this.



So you're telling me that Black Raincoat is Yumi's father? And he's killing off everyone who was with her?

All right, then.
끼두.

If he came all the way to Weneritana just to find me, then I'm sure he's still around here somewhere.
Dath

Ugh, I hate this/ Stupid rain!/
Oh?
Why are you here?
He gave it to me/
It doesn't seem like it'll stop raining any time soon

I'll be back after looking around a bit.
Even if you look for him, you could just pass by each other. Just stay here and dry off
It's past our meeting time.
TSCHH_SZZT...

Hello?
Beat
Beat

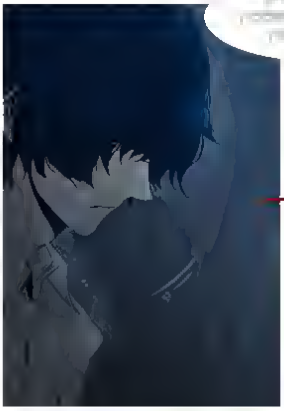
TSCHH_!
CHIEF!
COULD YOU PLEASE TURN OFF SPEAKER MODE, SIR?
THERE HAS BEEN A REPORT, SIR, OF BLACK RAINCOAT IN THE VICINITY
Tchh
Black Raincoat? No way. The leader said...
AH, WELL... THAT'S...

How many kids are still missing?

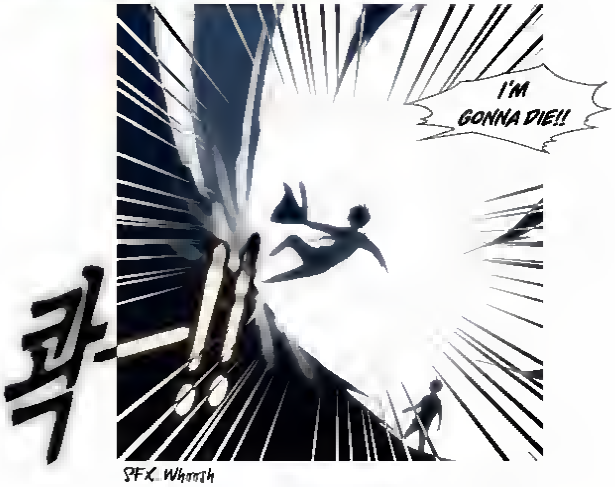
Oh. Four children, sir.

Yes. [illegible] that area [illegible] towards the [illegible].

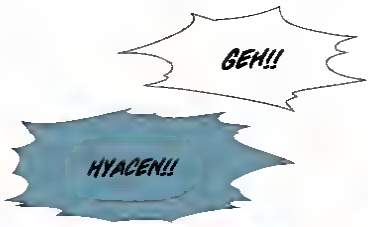
Four kids?
Yes. Three boys and a girl haven't returned to the meeting point yet.
Anyway, I need some sort of identification. It looks like you just woke up.
May I simply call you "Mister Penguin?"



But why do I feel so uneasy?



SFX. Whoosh



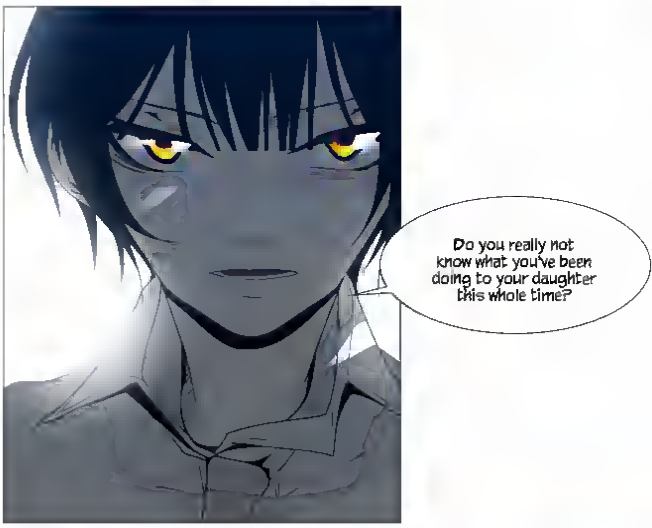
SFX. Thud

I feel like my whole body is shrinking
Now I know why bugs wriggle when they get stepped on.
HYACEN!
FLOWERPOT!!
SFX: Crack
Oh, man! Are you okay? A flowerpot was about to hit you, so I just reflexively...

Are you his accomplice or something?! You are, aren't you?!
Oh, come on, be serious!!
Ugh...
I'm sorry, but since you were eavesdropping, I cannot let you go alive.
If you reported me to the police, things would get complicated
Eavesdropping? I don't know what you mean
We were just walking by
He has nothing to do with this, so let him go.
What are you saying, Hyacen?!

I only followed you because I had a question for you.
That lady earlier... The things you're doing... Are they connected to Mr. Penguin in any way?
Mister Penguin?
I only took shelter in his tavern for a while. He has nothing to do with me.
I'm doing these things as revenge for my daughter. She lost her eyesight a few months ago. I'm doing this by myself.
Daughter?
You're ripping out kids' eyes as revenge?
What are you, stupid?

Is your revenge so important that you're willing to ruin your life for it?
Really,
.. your daughter is already blind. How much more will you hurt her by doing all this?



Do you really not know what you've been doing to your daughter this whole time?

What?
She doesn't need revenge for getting hurt. She needs her father to comfort her, to tell her that everything is okay, to protect her, and to look after her!
Why can't adults look past an injury and see the bigger hurt?

You're destroying something that's much more important to her than her eyesight.
You yourself are far worse than the person who hurt your daughter!

If you really care for her, then stop acting like a criminal and go back to where you belong!
What?!

WHAT THE HELL DO YOU KNOW?!

SFX Thud

KUH!

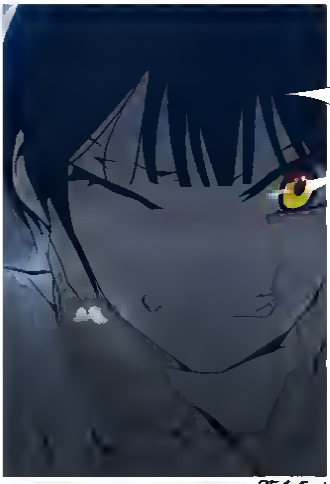
SFX Crash

B-BOTH OF YOU, STOP IT!!

I'm telling you...

...go back to her before she starts despising you!

YOU'RE KILLING HIM!!



KILL ME, THEN!

SFK Comic

IF YOU REALLY THINK THAT YOU CAN STILL CALL YOURSELF A PROUD FATHER AFTERWARDS -- KILL ME!

to be continued...
